PREMIUM GUARD FILTER PRODUCTS WARRANTY

Premium Guard filters are warranted to be free from manufacturer's defects in material, workmanship or design in accordance with the terms and conditions described below.

Original Equipment warranties remain unaffected when Premium Guard filters are used in accordance with the engine manufacturer's change intervals.

In the event of an engine failure directly caused by a defective Premium Guard filter, which was properly installed and changed following the engine manufacturer's recommended service intervals, Premium Guard, Inc. warrants that it will pay for the repair of, if necessary, replacement of an engine or other parts damaged as a result of any defect in any of its filters.

Claims for engine repairs provided under this warranty must be submitted within 30 days after discovery of damage. The filter must be returned for examination. No claims will be considered unless the filter in question is submitted. A delegated laboratory assigned by Premium Guard, Inc. will have the right to examine the engine and filter to determine the amount of damage and whether it was caused by a defective Premium Guard filter.

This warranty **DOES NOT COVER** any product that has been subjected to misuse, neglect, negligence or accident, or that has been improperly maintained, operated or installed. The warranty **DOES NOT APPLY** to any damage to the product that is the result of rust or corrosion.

This warranty is in lieu of all other warranties expressed or implied, including the implied warranty of merchantability and fitness for a particular purpose which are expressly excluded. Premium Guard, Inc. shall not be liable for consequential or incidental damages resulting from or caused by the use, operation, failure or defect of any Premium Guard filter.

This warranty gives you specific legal rights. You may also have other rights which vary from state to state.
